

TREASURE VALLEY

PATH

Friends of PATH;

We have been so blessed in 2019 to have provided free services to almost 100 NEW clients. We cannot thank you enough for your prayers and your support of our mission; to provide education, resources, counseling, ultrasounds, love and support for the clients who have come to PATH this year. Each client is in search of answers, healing, education, and we love to help them walk through the uncertainty and fear of their journey.

Your generous donations have directly impacted our clients and provided the services they need, when they need them. As many of you may, or may not know, the Board of Directors at PATH feels that stewardship of the resources our supporters provide is paramount to our mission. Additionally, part of our goal is to continue to keep our overhead expenses as low as possible so that the bulk of our resources goes to God's ministry and serves the individuals and families that turn to us in times of crisis and uncertainty. Each time we are faced with decisions that impact our resources we carefully consider our responsibilities to our clients as well as our staff and volunteers. We continue to maintain our clinic on site at the University Baptist Church, which provides us with a beautiful space and offices to work in for a cost equal to less than 25% of the cost of our prior location. PATH has three paid staff members who do a tremendous job of managing the clinic; providing education, counseling, and ultrasound testing, as well as training and supervising our many volunteers. This dedicated group is responsible for the success of PATH and the many services that are provided.

Transparency is one of the things that we think is critical to building trust with our donors and we welcome your questions, concerns, and ideas. Our finances are lean, but God keeps providing. Our monthly

donations keep our clinic doors open and providing the services that are so desperately needed in this community. We may not have a windfall of resources to work with but every time our amazing staff and volunteers see a need, God shows up to make sure that we are able to provide it.

Here are a few of the ways that God has provided for us this year:

- The Laugh for PATH event at Calvary Boise in the Spring provided great comedy and raffle items that helped PATH continue their services, created more awareness in the community, and brought additional supporters alongside PATH.
- Lucky Fins hosted a fundraiser in the fall that enabled us to start our *Pregnancy, Childbirth, & Beyond* Class. Thank you if you participated in the donation day and visited Lucky Fins for a great meal!
- Baby bottle drives through local churches have helped us continue to provide free testing and ultrasounds.

It is our goal to continue to seek out opportunities to plan events that are family friendly to help meet the needs of PATH so that we can ensure that the ministry continues to provide critical services free to families who need them.

If you are a current supporter we thank you from the bottom of our hearts and our clients thank you for how you impact their lives. If you are not currently supporting PATH's services would you please consider doing so? There are a number of ways to provide support for this ministry.

You can become a monthly donor through our website at www.treasurevalleypath.org; organize a baby bottle drive at your church or community group; help with small community led fundraising; attend an event; or volunteer for PATH. Additionally, please pray for our clients, their unborn children, and for the staff, volunteers and Board - that we will continue to do everything we can to fulfill the mission of PATH.

The clients that were served this year were blessed by your generosity and we pray for your continued support. Watch for events in 2020 and come on out and support the PATH mission.

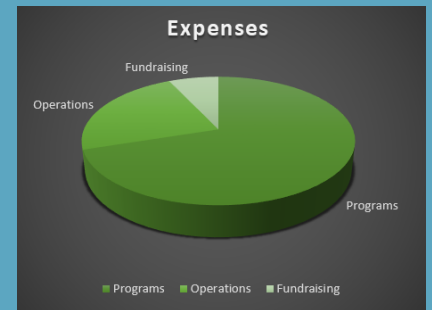

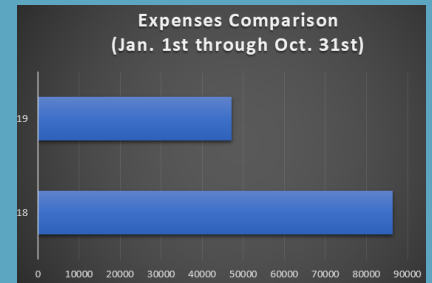

If you have ideas to share with the Board please submit them via email to christie.blom@gmail.com, the Board would love to meet with you and talk more about the mission of PATH. We wish you a Merry Christmas, Happy New Year, and blessings for you and your family in 2020 and beyond.

With Gratitude,

Josh, Mike, Linda, Georgiana, Christie, Sue, Deb, & Alaina
