INTRODUCING OUR NEW ULTRASOUND MACHINE!

After many prayers, community support, generous donations, and anticipation, our new ultrasound machine has arrived! We are beyond thrilled with this new machine and the images we can provide to our moms. Because of YOU we can show our clients a more detailed image of their baby to help create a bond that is life-changing. Thank you for helping each baby be seen as a new life and not just 'a clump of cells'. This machine also has 3D/4D technology, and although we won't be using that in early pregnancy it will be a valuable tool in appropriate situations.

New Machine

Ultrasound Scan at 10 Weeks

Old Machine

Ultrasound Scan at 10 Weeks

CLASS UPDATES

Breastfeeding Course: We are excited to announce that due to our grant from the Harry Morrison Foundation we were able to purchase education materials to expand our newborn care to include a breastfeeding section. Expectant moms will be able to attend this class free of charge to help prepare them in breastfeeding techniques, common problems and solutions.

Pregnancy Loss: We know there is so much pain and hurt that comes from any pregnancy loss. Whether it is from an abortion or miscarriage, recently or decades ago, there is a need for healing. Faith Community Bible Church is launching A Time to Heal Bible study classes that will be open to the public and has invited our clients to join as needed. More info will be coming over the next couple months, but if you have questions or would like to join, please call our office at 208.384.9504.

THANK YOU, BRIDGEPOINT CHURCH!

Thank you to the women of Bridgepoint Church! They made wonderful goodie bags filled with gifts of thoughtfulness, encouragement, and love to distribute to our clients on their first visit. Clients can feel overwhelmed after confirming a pregnancy and adjusting to their new life journey. These gift bags remind them that they are not alone, and others care...very much! Thank you, Bridgepoint, for the time, energy, and love put into each gift bag!

MEET MARINA

Marina earned her RN after graduating from Boise State University's School of Nursing in May of 2021. With a love for infants, and enamored by the miracle of life, she works as a NICU nurse at St. Luke's Hospital. Passionate about maternal/pediatric nursing and having seen the importance of prenatal care, she is excited to serve the Lord by joining Path and encouraging new moms and families. Her gentle presence and kind heart will help clients feel at ease. Originally from Alaska, during her time off she enjoys the outdoors, playing music, cooking, and gardening.
